Welcome to AAA

We are pleased to provide your new AAA Membership Handbook. On the following pages you'll discover how to make the most of your membership. AAA offers three levels of benefits and services:

AAA Basic is our core membership product that sets the standard of excellence in roadside assistance. Members enjoy dozens of benefits and services designed to provide security, savings and peace of mind.

AAA Plus RV enhances many of the Basic Membership benefits — most notably extending your towing privileges up to 100 miles. Service eligibility is extended to cover many types of recreational vehicles and motorcycles.

AAA Premier RV is our premium level of membership, providing the ultimate in protection and service. Towing privileges up to 200 miles, emergency car rentals and concierge services are just a few of the highlights.

We hope you'll be pleasantly surprised by how many benefits your membership brings. When you join AAA, you're joining a club that's committed to putting your interests first — and helping you in all kinds of ways.

You and your membership

We offer three levels of membership: AAA Basic, AAA Plus RV and AAA Premier RV.

Look for these symbols throughout this handbook. They signify enhanced benefits and service levels for members

who have upgraded to AAA Plus RV or AAA Premier RV.

Upgrading

If you're currently a Basic AAA Member with an average of no more than two roadside assistance calls over the last two years, you can apply to upgrade your membership to AAA Plus RV or AAA Premier RV. Associate Members must upgrade if the Primary card holder has already done so.

To upgrade, call us toll-free at 800-222-6327. Please note that there's a three-day waiting period after upgrading before you can enjoy the increased roadside assistance benefits.

Enrolling your family

You can't always be there when members of your family have a flat tire or lock their keys in the car. But AAA can.

For a little extra, you can enroll other individuals in your family such as your spouse and eligible children as Associate Members if they share your residence. They'll have their own membership cards and be able to call us for roadside assistance no matter whose car they're in. What's more, they'll enjoy all the same benefits of AAA Membership as you — discounts, savings and member-only perks.

- To sign up other individuals in your household, call us at 800-222-6327 or visit your local office.

Renewing your membership

Please note that even though your membership card may reflect a “Valid Thru” date that’s more than a year away, it won’t be active unless you pay your membership dues annually.

When you receive your annual renewal bill, you can pay online at AAA.com/Payment or pay by phone at 877-44-MY-AAA (877-446-9222). Otherwise, you can mail your renewal payment to the address shown on the bill.

You can also sign up to automatically renew annually by providing your credit card information. With automatic renewal, you’ll still receive a statement confirming your renewal.

Keeping you informed

AAA Living Magazine

All our membership households receive a subscription to *AAA Living Magazine*. It's colorful and informative, keeping you up-to-date on all the benefits, services, and travel and leisure opportunities that we offer. In addition to print editions of the magazine, you'll receive digital editions by registering at AAA.com/Register.

Notice of changes in membership benefits and terms will be provided through this magazine, AAA's official publication of record. Visit AAA.com to see current and past issues.

- Please check each issue for the latest discounts.

Traffic safety

As part of our commitment to keeping our members safe on the roads, we sponsor numerous traffic safety programs, serve as a traffic safety advocate, and as a trusted resource for reliable traffic safety information and assistance. AAA's well-known School Safety Patrol and reports on fuel pricing and availability are just two of the ways in which we help our members and the motoring public. We also send out educational materials to schools, parents and law enforcement agencies.

- To see our reports and materials, visit our website at AAA.com.

Legislation

We're committed to protecting your interests as a driver, so we continually evaluate and respond to legislation that affects you. We work to make sure that you're not the target of discriminatory legislation, and act as advocates for safe and efficient transportation.

Public information

We inform our members and the general public about travel, legislation, traffic safety and consumer affairs through news releases, media kits, interviews, public appearances, educational programs and a variety of brochures and literature.

Quality assurance

Approved Auto Repair (AAR)

The next time you need to get your vehicle repaired, look for the AAA Approved Auto Repair sign at repair shops that meet our standards of quality. In addition, you'll get the following guarantees:

- A limited warranty by the facility for repairs, including parts and labor, that covers 12 months or 12,000 miles, whichever comes first.
- When your vehicle is in the facility being serviced, the vehicle will be inspected, upon request, at no charge for items that most frequently contribute to roadside breakdowns. You'll receive written recommendations of any needed maintenance or repairs. The free maintenance check will be done only if the vehicle is already in the shop for some other service or repair.
- If requested before repair work begins, AAR facilities agree to return all replaced parts with the exception of those that must be returned to the manufacturer under a warranty or exchange program.
- Any additional work required to repair the vehicle that exceeds the estimate will be performed only with your authorization.
- In the event of a dispute between you and a facility, the facility must abide by all decisions as arbitrated by AAA. You are not bound by AAA's decision and may seek recourse through other avenues.
- AAR facilities must employ Automotive Service Excellence (ASE) certified technicians.
- Visit AAA.com for AAR locations near you.

Driver training

If anyone in your family or organization needs to brush up on driving skills, we can help.

We're particularly proud of our work with young drivers, who are statistically more at risk of accidents than any other group, mostly due to their lack of experience.

AAA's Driver Training Program offers the following courses:

- Driver Improvement
- Safe Driving for Mature Operators
- Driver Refresher Courses
- Fleet Driver Training
- Safety Training for Employees Who Drive on Business

Our Driving Programs are based on our nationally recognized curriculum and designed to promote classroom participation and communication.

Courses are available online or, if you prefer a classroom setting, we will work with you to schedule a date and time.

- For details on AAA Driver Training in your area, visit AAA.com/Drive.

Roadside Assistance

Our services

Your AAA Membership entitles you to a comprehensive range of 24-hour prepaid roadside assistance services, so you can be confident that whatever happens, help is close by.

To take advantage of roadside assistance, call the number supplied on your membership card or on the back page of this handbook. If traveling outside your local region, you may obtain nationwide roadside assistance by calling 800-AAA-HELP (800-222-4357). Requests for roadside assistance may also be placed through our online service at AAA.com. Just click on *Need Assistance Now* on the Roadside Assistance tab.

Who's eligible

Roadside assistance is provided on any eligible vehicle that you are driving or riding in at the time of disablement. This includes Associate Members such as spouses or driving-age children who have their own membership cards. You will be asked to present your valid AAA Membership Card before service is rendered. If your membership card is not available and your membership cannot be verified by AAA, you will be requested to pay for service at the servicing facility's prevailing rate. If your membership can be subsequently verified, you may submit your paid receipt and a reimbursement application to AAA and be reimbursed at the rate paid to AAA service providers (see "To request reimbursement").

In fairness to all members, roadside assistance should not be used as a substitute for proper vehicle maintenance. To help control membership dues, AAA has an annual four-call limit on roadside assistance usage per member. Primary and Associate Members in the same household are each eligible for four calls. Multiple service calls for the same problem will be counted separately on your service record.

After the fourth call in a membership term, you may continue to call AAA to arrange for service, but must pay the service provider at the time services are rendered. If you discover that you don't need roadside assistance after you have called, please notify us so the call won't be counted against your four-call annual limit if we haven't dispatched assistance. These service limits enable AAA to continue providing reliable, high-quality, cost-effective roadside assistance.

Services provided

Battery service

If you're having trouble starting your vehicle, we will provide a battery boost to get you on your way, unless not recommended by your vehicle's manufacturer.

Additionally, in most metropolitan areas, we will test your battery on-scene with our state-of-the-art mobile diagnostic units, and if indicated, offer to install a new battery onsite or arrange for later replacement at your convenience. The diagnostic test is free and we offer a 36-month free replacement warranty. Our battery prices are competitive and AAA Members receive a \$25 discount.

Battery service is not available for specialty vehicles such as all-terrain vehicles, dirt bikes, snowmobiles and golf carts.

Extrication and winching

If your vehicle goes off the road, we'll send a service vehicle to get you back on track. Your vehicle will be extricated when it can be safely reached from a normally traveled road by a service vehicle with automobile servicing equipment operated by one person. If additional help is needed, you may choose to pay for additional services on-scene. In such case, the service provider may utilize additional persons or equipment, where available, that are needed to free your vehicle.

For AAA Plus RV and AAA Premier

RV Members, we'll send two service vehicles, if necessary, at no additional cost. The second vehicle and driver are available for up to one hour at the scene.

Not covered: Snowbound vehicle recovery; shoveling snow, mud, dirt or sand to clear obstructions; entering areas unsuitable for vehicle traffic or not maintained as a road, for example, beaches, vacant lots, playgrounds, creek beds, open fields, boat ramps, golf courses, and forest and private roads.

Fuel delivery service

If you run out of fuel, we'll send an emergency supply, when available, to get you to the nearest service station. We will only deliver fuel (no fuel mixes) and we will charge for fuel at current pump prices.

For members with AAA Plus RV or AAA Premier RV, there is no charge

for the fuel delivered — helping you get to the nearest gas station.

Vehicle lock-out service

If you lock your keys inside your vehicle, we'll try to open the door for you.

If your keys are lost or broken, or if we can't get inside, we'll reimburse you up to \$50 for a commercial locksmith to make a new key or to gain entrance. Or we can tow you to either a locksmith or to another destination of your choice, subject to the towing provisions in this handbook.

AAA Plus RV and AAA Premier RV Members are eligible for locksmith

reimbursement up to \$100 to either unlock the vehicle or make it operable.

For [home lock-out service benefits](#), see page 35 (AAA Premier RV Members only).

Mechanical first aid

If your vehicle needs only minor adjustments which don't involve parts or supplies, our service providers will do what they can at the scene to render it drivable.

Please note that we can't guarantee any repairs carried out in this way. If your vehicle is able to be mobilized, you should go straight to your nearest AAA Approved Auto Repair shop or other repair facility and see a qualified technician.

Tire service

If you've had a blowout or a flat tire, we'll check that your spare tire is inflated and serviceable and install it for you. If you don't have a serviceable spare, we'll tow your vehicle. (For details of our towing service, see "Towing.")

Please note that our service doesn't include repairing your tire, or installing or removing snow chains, unless as part of changing a flat tire. Installing a spare tire is a temporary fix only. You should immediately go to your nearest AAA Approved Auto Repair shop or other repair facility to have it checked by a technician.

For AAA Plus RV or AAA Premier RV Members, our tire service also covers eligible dual-wheeled vehicles. Please

note that in certain regions of the country, you might have to pay for the extra service yourself and be reimbursed later.

Towing

If the AAA service provider can't start your vehicle or make it safe to drive, your vehicle will be towed at no charge to either:

- The service provider's repair shop
- Anywhere within ten miles of where you broke down

For AAA Plus RV Members, we'll tow you without charge up to 100 miles in any direction from where you broke down.

As a member with AAA Premier RV, you're entitled to one tow (per membership term) of up to 200 miles in any direction from where your vehicle broke down. Any remaining qualified tows may be used for up to 100 miles.

If you need towing beyond the limit of your membership level, you will be charged for the extra miles at the service provider's prevailing private rate.

One-day free car rental

 AAA Premier RV Members are also entitled to one complimentary, one-day rental car per membership term, when a qualifying non-collision tow is one of the four allowable roadside assistance calls. AAA will reimburse you up to a full-size rental car.

DOWNLOAD
CLAIM FORM

You must take delivery of the rental car within two calendar days of a qualifying non-collision tow, and you are responsible for subsequent days' charges, upgrades, vehicle insurance, mileage, fuel charges, fees and taxes. Cars must be rented from a commercial car rental company in the business of renting cars. You must meet the terms and conditions of the rental car company. Requests for reimbursement must be submitted within 60 days of the event.

Towing considerations

If you need to be towed to a particular repair shop, please call first to make arrangements for the vehicle to be accepted upon arrival. If no one from the facility will be there to receive your vehicle, make sure you are — we can't leave your vehicle at a closed repair shop unless you are there to accept it.

We always try to be as responsive as possible, but towing to your ultimate destination may be unavoidably delayed due to unusual circumstances, for example, by extreme weather conditions, exceptionally high demand, unavailability of people or equipment. Local laws may only allow service providers to carry one passenger. If this happens, we will help you find alternative transportation at your own expense.

Please note that our responsibility ends when we get your vehicle to the agreed destination. You'll need to pay any further expenses yourself, such as repairs or additional towing.

Note: If, because of illness or injury, you can't tell us what you'd like us to do with your vehicle, we may tow it and keep it until we hear from you. Storage fees may apply.

Requesting reimbursement

In the event AAA is not able to provide you with timely road service, you may choose to contact an alternative service provider directly. However, if you obtain non-AAA roadside assistance without first requesting service from us, we will provide you a reimbursement of your expenses only up to the contract rate we normally pay our AAA service providers to perform similar services.

To request reimbursement:

- 1) Contact AAA by phone at 800-222-6327, online at AAA.com or visit your nearest full-service AAA office to obtain a reimbursement form.
- 2) Complete the form and mail it to us with the original receipt. Receipt must be fully paid in the name of the member receiving service.

Request must be submitted to AAA within 60 days of the date service was provided.

Limitations

Understandably, in providing roadside assistance, AAA cannot assume responsibility for the actions of independent service facility personnel. These facilities serve as independent contractors and are not employees or agents of AAA.

Any loss or damages resulting from the service facility personnel's actions are the sole responsibility of the service provider and should be reported immediately to the service facility owner before repairs are made. If a satisfactory resolution with the owner has not been reached within 10 days, the incident can be reported to AAA and one of our representatives will attempt to reconcile the dispute.

AAA cannot guarantee that the service provider will have all the parts needed for your vehicle, nor will AAA accept responsibility for repairs, or the availability, delivery or installation of parts.

Important - If your emergency is immediate and life threatening, seek local emergency care at once. Your emergency medical transportation limit is the total amount available for all covered services described below.

You or your representative must contact Us and We must make all transportation arrangements in advance. We will not pay for any of the services listed in this section if We

didn't authorize and arrange it. This benefit is secondary to any existing benefits provided by a Covered Person's health or automobile insurance. We reserve the right to coordinate benefits with other insurance coverage.

Moving You to a Hospital or medical clinic (Emergency medical evacuation)

If You're seriously ill or injured during your Covered Travel and Our medical team determines that the local medical facilities are unable to provide appropriate medical treatment:

- We'll arrange and pay for a Medical Escort if We determine one is necessary

Getting You home after Your care (medical repatriation)

If you're seriously ill or injured during your Covered Travel, under the care of a local Doctor and unable to continue your Covered Travel, medical repatriation takes place once Our medical team determines that you are medically stable to return home via commercial transportation carrier, such as a scheduled passenger airline. We'll arrange and pay (less any refunds for unused tickets) for you to be transported via a commercial transportation carrier in the same class of service that you were booked for your Covered Travel. The transportation will be to one of the following:

- your Primary Residence
- a location of your choice in the United States; or
- a medical facility near your Primary Residence or city of your choice in the United States. We'll take your request into consideration as long as the medical facility will accept you as a patient and is approved as medically appropriate for your continued care by Our medical director
- arrange and pay for a Medical Escort if Our medical team determines a Medical Escort is necessary

Bringing a friend or Family Member to You (transport to bedside)

If you're told you will be hospitalized for more than seven days during your Covered Travel, we'll transport a friend or Family Member to stay with you. We'll arrange and pay for round-trip transportation in economy class on a common carrier.

Getting Your children home (return of dependents)

Your annual AAA Membership renews on the date stated on your membership card each year unless you are notified at least 60 days before the expiration date that your membership will not be renewed. AAA reserves the right to non-renew membership if the club determines that membership privileges have been abused. AAA will also give you at least 60 days notice if your membership will be renewed with a change in benefits. If AAA does not give you at least 60 days notice of such changes, your membership will be renewed on the same terms. AAA reserves the right to cancel membership for material representation or for substantial breach of your contractual duties or conditions. If we cancel, we shall give you at least 10 days notice, and shall return unused portion of your annual dues. If you ask to cancel, your membership will expire without renewal at the end of the current term, but no dues will be refunded.

If you pay your membership renewal within 60 days after expiration of your current membership term, your new membership term will expire one year after the current term expires. If you pay your membership renewal more than 60 days after the current term expires, your new term will begin when payment is received and expire no less than one year from the day payment is received.
